

## **Environmental Policy Statement**

Fleet (Line Markers) Limited commits to achieving the highest standards with regards to environmental matters arising out of our activities. It is the intention of Fleet (Line Markers) Limited to be at the forefront of our industry. An integral element of this sensitivity to environmental issues is that it may affect not only our employees but also our neighbours.

The company is committed in ensuring continued compliance with all relevant environmental legislation, regulations, codes of practice and other standards to which the company subscribes.

When determining priorities for the allocation of resources, environmental objectives shall be given equal consideration with all other objectives.

All managers and employees have duties and responsibilities under this policy, and in order to ensure these are met regular reviews of environmental performance will be carried out

### **Aims of the Policy**

Fleet (Line Markers) Limited recognises that protection of the environment requires commercial activity to be conducted in a sustainable manner. Fleet (Line Markers) Limited is fully committed to best environmental practice and takes responsibility for its own environmental performance.

Fleet (Line Markers) Limited has acknowledged these responsibilities through this environmental policy which is publicly available. Our site is committed to implementing the actions stated in this policy. Fleet (Line Markers) Limited is;

- Establishing health, safety and environmental policies for which management has ultimate responsibility and which forms part of Fleet (Line Markers) Limited business plans.
- Developing a comprehensive Environmental Management System (EMS), which ensure compliance with all relevant environmental legislation, regulations, codes of practice and any other standard to which the company subscribes. Fleet (Line Markers) Limited is also committed to the prevention of pollution through waste management, a comprehensive transport policy and fully tested emergency procedures. The EMS will evaluate the Fleet (Line Markers) Limited environmental impacts resulting in the setting of clear objectives with the aim of establishing continual environmental improvement in environmental performance. Fleet (Line Markers) Limited overall performance will be monitored by regular audits and annual reviews.
- Intent on integrating environmental management with health and safety management at Fleet (Line Markers) Limited.

## Environmental Policy Statement - Continued

- Sourcing raw materials which have a minimal environmental impact as a result of their production and from sustainable sources when feasible.
- Producing predominately waterborne liquids products designed with pH values as close to neutral as is possible in order to minimize the impact on the environment when in use.
- Using recyclable storage containers and packaging.

Through active objective setting and ongoing review The EMS will continually develop over time so that all key issues pertinent to the company will be addressed.
